

HUBNETIX

Horizontal Cable Manager – 1U / 2U, Duct type

Description

HUBNETIX CABLINE 1U or 2U Horizontal Cable Managers provide a cost effective solution that organizes, manages, and protects network cabling in telecommunication rooms and data centers. These CABLINE 19" duct type cable managers are constructed using metal or plastic and finished in powder coated black color that provides durability and easy installation. HUBNETIX 1U cable managers comes with a removable front cover and a finger duct channel on the top & bottom of the channel and an opening at the rear for pass through for use in 19" rack environments for managing patch cords that are connected between patch panels and the network switch. HUBNETIX Horizontal cable manager are design to meet EIA-310-E standard ensures optimal cable radius to prevent deterioration or breakage and flexible fingers maximize the care and protection of the equipment and cables, keeping the structured cabling system completely functional.

Key Features

- Available sizes – 1U & 2U
- Horizontal, EIA Standard Universal 19" Duct type
- Removable front cover opens 180° up or down
- Finger ducts/rings at the top & bottom of the cable manager
- Openings for routing patch cables from the rear side
- Provides ease of installation and cable maintenance
- Upholds proper bend radius
- Panel : SPCC, 1.5mm thickness Black - RAL9005
- Cage Nuts included

Standards

- IEC 60297-3
- EIA-310-E
- DIN 41494-1, 7

Physical Characteristics

- Operating Temperature Range: -10°C - 60°C
- Storage Temperature Range: -40°C - 68°C
- Humidity: 10% ~ 90% RH

Applications

- Ideal for high performance copper and fibre optic applications
- Standard EIA 19" rack or cabinet compatible
- Data Centers & Telecommunication-MDF/IDF Racks & cabinets
- Used with Patch panels, Patch cords, Network switches and Racks/cabinets

HUBNETIX

Horizontal Cable Manager – 1U / 2U, Duct type

Specification

	Parameter	Detail
Technical	Unit Weight	Metal : 0.6 kg (1U) 1.2 kg (2U)
	Color	RAL9005 (Black)
	Product Dimensions	483x70X44 mm WxDxH (1U) 483x70X88 mm WxDxH (2U)
	Material	SPCC / Plastic
	Load Capacity	45 kg
	Installation Size	Universal 19" Rack, Standard EIA
