

HUBNETIX

Fibre Optic Rack Mount Patch Panel-L7 Series

Description

HUBNETIX LANLINE Fibre Optic Rack Mount Patch Panel-L7 Series provides centralized location to manage all network applications like centralized point for termination, storage, splice, optical fibre distribution, OAN, data centers and LAN. This HUBNETIX LANLINE ODF (Optical Distribution Frame) Rack Mount Patch Panel provides a centralized point for termination, splice, storage and distribution of optical fibres, that are of medium capacity with both side operation. These HUBNETIX LANLINE Patch Panels are suitable for central offices, connection points in the OAN, data centers, local area network etc. It is an ideal solution for rack-or cabinet-mounting in compact areas. This unit provides excellent fibre patching management.

Features

- Removable front-top cover for easier operations
- Top quality steel with electrostatic paint ensures strong body and pleasing appearance
- Easy installations: 19" wall mounting
- Easy operations: Drawer-type
- Fully stable patch panel, no risk of movement
- Protected patch panel offers secure environment for adapters, patch cords and pigtails
- Height: 1U-2U, depends on capacity and adapter type chosen
- Adoptable adapter types: FC, SC, LC, ST, E2000
- Adapter Panel adopted for easy operation. Cable fixing units provided

Dimensions and Capability

Height	Depth	Width	Capacity	
			FC/SC/ST	LC duplex
1U	280	19"	16	16
			24	24
2U	280	19"	32	32
			48	48

Operation Conditions

Temperature	-5°C -- +60°C
Humidity	90% at 30°C
Air Pressure	70kPa – 106kPa
