## Fibre Optic Rack Mount Patch Panel-L9 Series

### Description

HUBNETIX LANLINE ODF (Optical Distribution Frame) Rack Mount Patch Panel L9 Series provides a centralized point for termination, splice, storage and distribution of optical fibres. This patch panel is suitable for central offices connection points in the OAN, data centers, local area network etc. It is an ideal solution for rack or cabinet mounting in compact areas. This unit provides excellent fibre patching management.

### Features

- Top quality steel with electrostatic paint ensures strong body and pleasing appearance
- Easy installations: 19" wall mounting
- Easy operations: Drawer-type
- Fully stable patch panel, no risk of movement
- Protected patch panel offers secure environment for adapters, patch cords and pigtails
- Height: 1U, depends on capacity and adapter type chosen
- Adoptable adapter types: FC, SC, LC, ST
- Adapter Panel adopted for easy operation. Cable fixing units provided
- Optional parts: splice trays, fibre management guides

### Dimensions and Capability

Height	Depth	Width	Capacity	
			FC/SC/ST	LC duplex
1U	260	19"	48	60

### Operation Conditions

Temperature	-5°C -- +60°C
Humidity	90% at 30°C
Air Pressure	70kPa – 106kPa
